## Who we are

Zeller Electric, Inc. was founded in 1979 by brothers Jon and David Zeller. Our mission is to provide excellent services with honesty and integrity. Despite all the changes in the construction industry over the years, Zeller Electric, Inc. remains dedicated to its mission, basing success on reputation rather than profit margin.

As a member of local unions #34 and #197 (representing Peoria and Bloomington-Normal), we employ approximately thirty inside electrical journeymen and apprentices and we service all of Central Illinois.

Notes:

Phone size: slideshow disappears in favor of basic contact information and background text. Showcase items still exist, but are farther down the page.

Tablet size: 2-column format adopted for allowing for quicker access to showcase areas. What about having new/updated photos? Or even old historic ones, too? With the mission seemingly emphasizing 1979 date and stability, it might be appropriate to have some older images.
