Tablet:

width 768px
cols 48px
gutters 16px
fold 1024px
rows 16px

Mobile:

width 320px
cols 60px
gutters 16px
fold 480px
rows 16px

Notes:

#1 – what will visitors use the mobile version for? I think contact info.

#2 – tablet size provides a good opportunity to start showcasing images

Colors and background image/pattern not shown here.

No dropdown for showcase. Rather, create an anchor link to images below. Images then take visitor to the showcase of that particular area.
